

# **THIS IS NOT OUR COMMONS**

## **BOYCOTT THE BROOKLYN COMMONS!**

Did you know the Brooklyn “Commons” is owned and managed by a member of the 1%, a millionaire heiress who:

- ✓ Collaborates with anti-Semites and white nationalists, including associates of the Liberty Lobby and the KKK.
- ✓ Cooperates with the NYPD in repressing protest, uses private security to physically, verbally assault protesters.
- ✓ Dignifies Holocaust denial and other hate speech against Jewish people – the second largest minority in Brooklyn.
- ✓ Continues to show blatant disregard and disrespect for the communities of which the “Commons” claims to be a part?

We wrote, we called, we petitioned, we protested. In response, Melissa Ennen defended her work with “groups across a wide political spectrum” – including *neo-Nazis*.

The “Commons” has made it clear which side it is on. Which side are *you* on? We call on fellow New Yorkers – including the Commons’ current clients and tenants – to join the boycott!
